Monica Schmelter: www.monicaspeaks.com

Monica passionately embraces the life God has given her. The journey to this Christ-centered life has not been without bumps and detours, but has made the reality of her Salvation a priceless treasure. Monica would take her passion for Christ and put it in action through the Christian Television Network in Nashville. There she hosts a daily talk show called “Bridges” where she has the pleasure of interviewing Christian artists, authors, pastors and community leaders. You can watch Bridges M-F on WHTN at 9:30 AM and 6:30 PM, on DirecTV #376 & on DISH Tuesdays at 8 PM CST.
